CENTRAL INTELLIGENCE AGENCY

OFFICE OF NATIONAL ESTIMATES

1 May 1951

SUBJECT: NIE-32: EFFECTS OF OPERATIONS IN KOREA ON COMMUNIST
CHINA (for consideration of IAC Representatives)

THE PROBLEM

To estimate the effects of the Korean operations upon the political, economic, and military position of the Chinese Communist regime.

INFORMATION DESIRED

NOTE: It is recognized that little intelligence is available on the present internal situation in Communist China and even less on Sino-Soviet relations. In view of the obvious importance of the subject matter of this estimate, however, it is requested that all available evidence be submitted relating to the following broad questions:
